Sir:

Patentees respectfully request that a Certificate of Correction be issued in the subject patent, pursuant to 35 USC § 254 and 37 CFR § 1.322, to correct the errors shown on the attached Form PTO-1050. A check in the amount of \$100 to cover the cost of the Certificate is attached.

The change to dependent claim 16 merely clarifies the portions as being of the biasing member, as similarly recited in dependent claim 17 and described in, e.g., numbered paragraph 38 of the application as filed.

The change to claim 37 is to provide more consistent antecedent basis for the "magnetic body recited in dependent claims 40 and 41, and as described in, e.g., numbered paragraph 35 of the original application.

One or more of the errors shown on the attached Form PTO-1050 is or are within the responsibility of the undersigned; each thereof is of a clerical or typographical nature or of minor character and occurred in good faith, and the correction thereof is consistent with the prosecution record.

Respectfully submitted,

STAAS & HALSEY LLP
